To whom it may concern,

NEXTDC S4 (Phase 2) Data Centre Horsley Park – Aboriginal Cultural Heritage Assessment – Presenting & Gathering Information

Thank you for your interest in the Aboriginal Cultural Heritage Assessment (ACHA) of 6 Johnston Crescent Horsley Park 2175, NSW, legally described as Lot 306 in DP Plan 1275011 (the 'subject area') (Figure 1 and Figure 2).

NEXTDC ('the Proponent') is seeking to deliver the second phase of the S4 data centre project which involves the construction of additional infrastructure critical to supporting cloud computing and emerging Artificial Intelligence workloads.

Approval for the project will be sought via a State Significant Development Application (SSDA) in accordance with the Secretary's Environmental Assessment Requirements (SEARs) for data storage centres and under Division 4.7 of the *Environmental Planning and Assessment Act 1979* (NSW).

The Proponent can be contacted via:

Shaun O'Brien
Project Director
NEXTDC Limited
2 Broadcast Way, Artarmon, NSW 2064
Email: shaun.obrien@nextdc.com

In accordance with Regulations 60(5)-(6) of the *National Parks and Wildlife Regulation 2019* ('NPW Reg') and Section 4.2 and 4.3 of the *Aboriginal cultural heritage consultation requirements for proponents 2010* (Department of Environment, Climate Change and Water NSW) ('the Consultation Requirements') this present communication aims to provide all Registered Aboriginal Parties (RAPs) with the proposed project information and a process to facilitate the following:

- Contribute to culturally appropriate information gathering and the research methodology.

- Provide information that will enable the cultural significance of Aboriginal objects and/or places on the proposed project area to be determined.
- Have input into the development of any cultural heritage management options.

Subject area

The site is located at 6 Johnston Crescent, Horsley Park within the Fairfield Local Government Area (LGA). The site is legally described as Lot 306 in Deposited Plan 1275011. It is located approximately 35 km west of the Sydney CBD, 17 km west of the Parramatta CBD and 10 km north-east of the future Western Sydney International (WSI) airport. It is located within the Fairfield City Council and the boundaries of the Deerubbin Local Aboriginal Land Council ('Deerubbin LALC'). It is currently zoned as IN1 General Industrial.

The subject area currently comprises an approximately 4.205-hectare undeveloped land parcel with a dam in the north-west corner. It is surrounded by industrial buildings and other General Industrial (IN1) zoned land to the north, west and south. The land to the east of the site is zoned as C2 – Environmental Conservation.

The site is within a developing employment precinct, including the ESR Horsley Logistics Park, Oakdale Central, Oakdale South and Horsley Park Employment Precinct. It is also close to other established and emerging employment-generating precincts, including Eastern Creek to the north, Huntingwood to the north-east, Wetherill Park and Mamre Road West to the north-west and Wetherill Park to the east.

Proposed Works

The application seeks consent for construction and operation of a data centre development and includes site preparation works, bulk earthworks and infrastructure, and construction of the buildings, ancillary facilities, and associated site works.

Specifically, the project comprises the redevelopment of the site as summarised below:

- Site preparation works including earthworks, excavation and retaining walls.
- Construction and operation of a data centre development with ancillary offices comprising:
 - Two (2) data centre buildings with the following maximum heights:
 - Building EF = 41 metres over four storeys
 - Building G = 41 metres over four storeys
 - A total gross floor area (GFA) of approximately 25,600m²
 - Vehicle access from Johnston Crescent via approved Lot 305 driveway.
 - Required services and utilities.
- On-site car parking and loading within at-grade hardstand areas.

Methodology

The proposed impact assessment process for the ACHA, including the input points into the investigation and assessment activities for RAPs, is outlined below, in accordance with Reg. 60(6) of the NPW Reg and Section 4.2.2(b) of the Consultation Requirements.

The ACHA will be conducted in accordance with Part 6 of the *National Parks and Wildlife Act 1974* ('NPW Act') and Part 5 of the NPW Reg. It will further adhere to the following guidelines:

- *Guide to Investigating, Assessing and Reporting on Aboriginal Cultural Heritage in NSW* (OEH 2011)
- *Aboriginal Cultural Heritage Consultation Requirements for Proponents 2010* (DECCW 2010)
- *Code of Practice for Archaeological Investigation of Aboriginal Objects in New South Wales* (DECCW 2010)

The ACHA will follow the general methodology described in Table 1 below.

Table 1 – Aboriginal cultural heritage assessment methodology

Process Method	Description
Desktop assessment	Collection and evaluation of background information, including archaeological and historical resources and environmental conditions, to develop a predictive model for archaeological potential.
Consultation with RAPs	Providing information on the project to RAPs and gathering information about the proposed methodology and the Aboriginal cultural heritage values and significance of the subject area.
Preparation of draft ACHA report	Synthesis of all information collected during the ACHA process to prepare a draft assessment report and provision of the draft report to the Proponent and the RAPs for comments. The report will include an assessment of significance of any Aboriginal objects or Aboriginal cultural heritage values that may exist within the subject area, an impact assessment and provide management and mitigation measures.
Finalisation of ACHA report	Incorporation of all comments from the Proponent and RAPs into ACHA report and finalisation.

Urbis welcomes input and information from the RAPs at any stage throughout the entire process of the ACHA. Consistent with the Consultation Requirements, the formal input points for the consultation are the following:

- During Stage 2 and 3 – Following review of the current communication which presents information about the proposed project and ACHA methodology.

- During Stage 2 and 3 – During or following the site visit and meeting.
- During Stage 4 – Following review of the draft ACHA.

Critical Timelines

The critical timelines and milestones for the completion of the ACHA and delivery of reports are presented in Table 2 below, in accordance with Section 4.22 (c) of the Consultation Requirements. Please note the presented timeframes are estimates only and are intended as a guide to allow forward planning of personnel and resources.

Table 2 – Critical timelines

Project Stage	Anticipated Timeframe
Stage 2 and 3: Provision of comments on the provided information and proposed methodology (this document)	Within 28 days of the present document date (i.e. 19 March 2026)
Site Inspection	Within 1 week of the completion of Stages 2 and 3
Stage 4: Provision of the draft ACHA report (including the proposed management and mitigation measures) to the RAPs	Within 2 weeks of completion of the site inspection
Stage 4: Provision of comments on the draft ACHA report	Within 28 days of delivery of the draft ACHA report to RAPs
Stage 4: Finalisation of the ACHA report including the consideration of all comments and feedback	Within one week of the closing of the comment period for the draft ACHA report

Roles, Functions and Responsibilities

The roles, functions and responsibilities of the proponent and RAPs are defined below, in accordance with Section 4.2.2(d) of the Consultation Requirements.

The roles, functions and responsibilities of the Proponent, Urbis (acting on behalf of the Proponent), RAPs and any other parties involved in the consultation process are those defined in Section 5 of the Consultation Requirements.

Please note that, in accordance with Section 3.4 of the Consultation Requirements, consultation does not include the employment of Aboriginal people to assist in field assessment and/or site monitoring. Furthermore, there is no obligation on the Proponent to employ Aboriginal people registered for consultation. Aboriginal people may provide services to the Proponent through a contractual arrangement separate to the

consultation process. Consultation will continue irrespective of potential or actual employment opportunities for Aboriginal people.

Gathering Cultural Information

Urbis is providing the opportunity for RAPs to identify, raise and discuss their cultural concerns, perspectives and assessment requirements (if any), in accordance with Section 4.2.2(e) of the Consultation Requirements.

Urbis is actively seeking information on the cultural heritage and cultural significance of the subject area. Such information includes the existence of any Aboriginal objects of cultural value to Aboriginal people in or near the subject area (whether declared under s.84 of the *NPW Act* or not), including places of social, spiritual and cultural value, historic places with cultural significance and potential places/areas of historic, social, spiritual and/or cultural significance.

Please also consider the following when providing information:

- Do you have information on any Aboriginal objects within or near the subject area?
- Do you or somebody you know have information of cultural values, stories in relation to the subject area and if that information can be shared?

If you or your organisation has sensitive or restricted public access information for determining or managing the heritage values of the subject area, it is proposed that the proponent will manage this information (if provided by the Aboriginal community) in accordance with a sensitive cultural information management protocol. It is anticipated that the protocol will include making note of and managing the material in accordance with the following key limitations as advised by Aboriginal people at the time of the information being provided:

- Any restrictions on access of the material.
- Any restrictions on communication of the material (confidentiality).
- Any restrictions on the location/storage of the material.
- Any cultural recommendations on handling the material.
- Any names and contact details of persons authorised within the relevant Aboriginal group to make decisions concerning the Aboriginal material and degree of authorisation.
- Any details of any consent given in accordance with customary law.
- Any access and use by the RAPs of the cultural information.

Please consider the above list when providing your recommendations regarding any culturally sensitive information.

Questionnaire

To streamline information gathering during Stage 2 and 3, and to inform the proponent for any field inspection component, Urbis requests the following information from you:

- **Cultural connection:** Please describe the nature of your cultural connection to the country on which the subject area is situated. Please include any **relevant cultural knowledge or knowledge of Aboriginal objects or places within the subject area**. Have you ever lived in or near the subject area? If you are a Traditional Owner, please state this clearly.
- **Representing your community members:** Please state who you or your organisation represents. Do you or your organisation represent other members of the Aboriginal community? If so, please describe how information is provided to the other members, and how their information and knowledge may be provided back to the proponent and Urbis.
- **Previous experience:** Please list your relevant (for example, in the area of the proposed project) previous experience in providing cultural heritage advice and survey participation.
- **Schedule of Rates:** Please provide your Certificate of Currency including Product and Public Liability Insurance and Worker's Compensation. Please also include a schedule of rates (hourly/half day/day) for fieldwork participation, and include any expenses you may expect to incur, and these will be sought to be reimbursed. *Please note that it is for the discretion for the proponent to decide if they invite RAPs for site works and the consultation process does not guarantee paid employment.*

Please provide your response to the above questions along with any other information you wish to provide to:
